Dear Ms. Taylor:

**Re: Kingston Power Corporation's Conservation and Demand Management
Strategy
Board File No. EB-2010-0215**

This Letter will serve to acknowledge receipt on November 1, 2010 of your Conservation and Demand Management ("CDM") Strategy. The Board has conducted its review and found the CDM Strategy, as submitted, to be incomplete.

The Board directs Kingston Power Corp. ("Kingston") to file an addendum to its CDM Strategy that contains estimated, prospective budgets for planned OPA-Contracted Province-Wide CDM Programs and Board-Approved CDM Programs. The budgets provided should include all costs associated with each program (e.g. program costs, administration costs, marketing costs, etc.). Budgets associated with the OPA's low-income program do not need to be included. When developing the estimated, prospective budgets, Kingston may use a methodology of its choice. For example, the approach used by Hydro One Networks Inc. or Toronto Hydro-Electric Systems Limited. Alternatively, Kingston may choose to use information arising from the finalization of the OPA's funding formula. Regardless of the methodology used, the addendum must be filed no later than 21 days after the finalization of the OPA's funding formula.

This acknowledgement does not constitute approval from the Board of the CDM Strategy or any elements found within.

If you have any questions, or if you require further information, please contact the Board's Market Operations Hotline at 416-440-7604 or by email at market.operations@oeb.gov.on.ca.

Yours truly,
